SUMMARY

B.Tech student in Artificial Intelligence & Data Science (3rd year) with hands-on experience building and deploying machine learning models in Python. Comfortable across the ML workflow, from data preprocessing to model evaluation, with working knowledge of cloud fundamentals (AWS) and a growing interest in applied cybersecurity. Looking to bring strong problem-solving instincts and a fast learning curve to an internship role.

EDUCATION

B.Tech, Artificial Intelligence & Data Science <i>Mailam Engineering College — Currently in 3rd Year</i>	<i>Expected 2028</i>
Higher Secondary Certificate (Class XII) <i>Gandhi Higher Secondary School — 71.33%</i>	<i>2024</i>
Secondary School Leaving Certificate (Class X) <i>Gandhi Higher Secondary School — 60.20%</i>	<i>2022</i>

TECHNICAL SKILLS

Languages: Python, Java

ML & AI: Machine Learning, Pandas, Scikit-learn, Applied AI

Cloud & Platforms: AWS Fundamentals (AWS Academy Cloud Foundations), Git/GitHub

Other Interests: Cybersecurity Fundamentals

PROJECTS

Student Performance Prediction Using Machine Learning

- Built a supervised ML model in Python using Pandas and Scikit-learn to predict student academic performance from historical data.
- Handled data cleaning, feature preparation, and model evaluation to validate prediction accuracy.

AI-Powered Chatbot

- Developed a Python-based conversational chatbot capable of understanding and responding to user queries using rule-based and conversational logic.
- Designed the query-handling logic to support extensible, multi-turn interaction patterns.

CERTIFICATIONS & TRAINING

- AWS Academy Graduate — Cloud Foundations
- IBM — Getting Started with Artificial Intelligence
- Tata STRIVE — Cybersecurity
- Pearson — MePro Level 3 (Employability Skills)

ACTIVITIES & PARTICIPATION

- AI HackBlitz XXV — Participant, National-Level Hackathon
- SCION Industrial Visit — Industrial Exposure Program
- One-Day National Seminar on Emerging Developments in Green Nanotechnology

LANGUAGES & INTERESTS

Languages: Tamil, English

Interests: Cloud Computing, Cybersecurity, Video Editing, Photography
